**At Steeletown Coffee & Tea we are proud to serve the best coffee in town... and now we also provide the best Coffee & Tea Breaks as well.**

We offer many simple, yet flexible catering options for your business meeting, group event, or private party. Most beverage catering can be arranged with 24 hours notice, however, when food is involved we require 72 hours advance notice.

All prices are variable, depending on volume and other factors. Please contact the coffeehouse directly for a price quote for your event.

### coffee & tea

Just like we do it in the coffeehouse, all our catered coffee is made in a french press, assuring that you and your guests will enjoy the best possible freshness and flavor that is far better than your typical "banquet" coffee. Available in regular or decaffeinated.

Additionally, we can provide an assortment of tea and herbal infusion packets accompanied by our best-in-town filtered hot water.

All coffee & tea service quotes are for 8 oz. servings and include cups, lids, stirrers, napkins, real 1/2 & 1/2 creamers, raw sugar and sugar-free sweetener.
